FROM TOP TO BOTTOM:

Versatility is what the 542 is all about. The extra seating makes room for a crowd or extra space for storage. Whether you're going to the cottage or the coast, the 542 will suit your style.

The 542 is equipped with a heavy-duty wiper and a safety glass windshield for protection from the elements. The "Shurgrip" rubber-

coated steering wheel gives you control in any weather. The lockable cabin door ensures privacy and a safe, dry place for your gear.

The port side sleeper seat doubles as a sun lounge. Storage compartments are built into both seat bases.
